Year 5 - Science Museum trip

Dear Parents/Carers,

On Friday 17 November 2023, year 5 will be going on a trip to the Science Museum in London to enhance our learning of space and forces. We will be travelling by train and the underground. We aim to leave school at 09:00 and **will return at 15:45**. We will keep you informed via class dojo on the day if our return time is delayed.

Children will need to bring a water bottle (no fizzy drinks or glass) preferably in a small rucksack. They will also need a coat in case of a bad weather. Your child will be entitled to a free school packed lunch, which will be provided by the school. But you are also welcome to provide them with a packed lunch yourself. Please indicate on this [google form](#) which of these options you would prefer by **Wednesday 1 November** and give consent for your child to participate.

For this trip, **the cost is £3.50** which includes all transport, a visit to the museum's incredible [wonderlab](#), and an interactive workshop with the museum's staff. We are asking for this amount to be paid on [ParentPay](#).

All money and lunch information should be received by Wednesday 1 November and in the event that insufficient funds have been collected, the trip may have to be cancelled.

If you do not wish your child to attend the trip, then please also speak to your child's class teacher.

Yours sincerely,

Mr Jagger and Miss Gaston
