Dear Parents and Carers,

**RE: School Fund Contributions 2024-2025 academic year**

At St. Peter's, we are committed to providing a high-quality education that not only meets academic standards but also nurtures the overall development of the children here. However, to maintain and enhance our educational programs, extracurricular activities, and the school environment, we rely on the generous support of our school community. This year, we are reaching out to you, our valued parents and carers, to ask for your support through donations.

With this in mind, we are writing to ask if you would make a voluntary contribution to our School Fund for the 2024-2025 academic year. We understand that every family's financial situation is different, and we appreciate any contribution you can make, no matter the size. Every pound donated makes a difference and directly benefits our pupils. Donations can be made as a one-time payment or as recurring contributions throughout the year.

If you would like to make a voluntary contribution, please make payment into our bank account and reference your child's name or make a donation via [parentpay](#) (there is a payment item for donations). Details as follows:

Bank Account Details: Lloyds Bank  
Account Number: 70371068  
Sort Code: 30-98-36

We are grateful for the support provided to us by parents and carers. It is a major contributing factor to the continued rich educational provision for our children. We greatly value this positive partnership between school and home.

Thank you for your continued support and dedication to the St. Peter's Primary School community. Together, we can provide our students with the best school experience possible and prepare them for a bright future.
