

Friday 23rd January 2026

Dear Parents and Carers,

I am delighted to inform you that following your child's class trip to the woods, they have been selected to participate in a three week project. Your child is one of twelve children across year 6 selected to attend a weekly outdoor learning session, each Wednesday afternoon, at Croham Hurst Woods. The sessions will be led by Go Wild and Mr Preddie will also accompany the group.

These sessions are an exciting opportunity - the outdoor learning environment plays an important role in the curriculum, providing students with opportunities to experiment and explore; ask questions and make observations; solve problems and build theories.

The sessions will take place on the following dates:

Jan: 28

Feb: 4, 11

Please ensure your child comes to school dressed appropriately for dirty and messy activities in the woods. The children will be attending whatever the weather so please ensure they have the correct clothing and footwear. *Please note: school uniform or PE kit is not required to be worn on these days.*

Please do not hesitate to speak to me if you have any questions regarding this project.

Yours sincerely,

Mrs E Smith

(Year 3&4 Phase Leader & Outdoor learning co-ordinator)

Caroline Barriball, Headteacher
