

25th September 2025

Dear parent/carer,

Last year on joining GLT we moved to a new pupil database, Bromcom, and over the coming weeks and months will begin using their parent App **My Child at School** for sending all communications to parents. **As of mid-October, we will no longer be using Teachers2Parents.**

MCAS is not only for parental communications, we will use this portal for booking free clubs, making a parents evening appointment as well as receiving important announcements. From September 2026, MCAS will also replace parentpay as our payment portal.

We will be setting up parents evening appointments in October and if you do not have access to MCAS, you will not be able to make an appointment to see your child's teacher.

To make this process as simple as possible we are requesting that all parents download and install the **My Child At School** app to your smartphone then set up an account.

How to get and use the MCAS app for smartphones

Please go to the app store for your phone type. Links are below:

Android https://play.google.com/store/apps?hl=en_GB&gl=US&pli=1

Apple <https://www.apple.com/uk/app-store/>

How to Access MCAS in a browser

To login to the MCAS Parent Portal in a browser you will need to have a valid e-mail address registered with the school. You can login via this link:
