

13th February 2026

Dear Parents and Carers,

Next half term, I will be running a Craft Club for Year 1 children on Thursday afternoons from 12:30–1:00 pm. Children will be painting and building small wooden spring-themed baskets.

To help with purchasing resources, I would be grateful if you could make a small donation (£3.00–£5.00) towards the club. When you have made this contribution, this will secure your child's place at the club.

Please note that this club will be limited to 15 children and will be on a first come first serve basis.

Just to confirm - bookings will be via parentpay and payments will open at 6pm tonight.

If you would like your child to take part, but are unable to make a contribution, please email the office (admin@st-petersprimary.co.uk).

I am really looking forward to welcoming the children to the first session of Craft Club on Thursday 26 February.

Kind regards,
Mrs H Corbishley
Year 1 Teacher
