Attendance figures for this week:

Whole school attendance percentage for this week: 95.06%

Authorised absence percentage: 3.89%

Unauthorised absence percentage 1.05%

Children late for school: 1.62%

Cooking Volunteers needed

Volunteers needed for cooking with reception classes! We go into reception twice every half term on a Friday, to cook and eat all sorts of things, get messy and have fun. You don't need to help every time, there are a group of us who help out when we can. You can be a parent or carer from any school year (DBS check needed). Please message Kate on 07879696866 if you are interested.

Easter holidays and school contact

We break up today for our two-week Easter holiday and return to school on Monday 13th April. Please don't message teachers directly during the holidays- they will be told to switch off notifications and will not respond to messages sent on Seesaw or Dojo during the holiday period. The admin email address will not be monitored daily. If you have an urgent safeguarding concern, we will put a pop up on our school website to advise who you can contact if you need help or advice.

Lip Balms and Hayfever medication

This is a reminder that pupils should not bring in any lip balms, eye drops or medication to school. We understand that children may get dry or chapped lips at this time of year but children often share these items and this could cause risks regarding cross-contamination and allergies. As we approach hayfever season, we receive a high number of requests to administer antihistamines and eye drops in school. We kindly ask that, where possible, antihistamines are given at home before and after school. If your child experiences severe hayfever, we may, in exceptional circumstances, agree to administer an additional dose during the school day, provided that all required forms have been completed. Please note that this arrangement will be temporary and reviewed on a short-term basis. All medication must be handed into the school office and not given to the class teacher or left in your child's book bag. If your child has medication stored in school, please ensure you monitor the expiry date and replace it before it expires. It is the responsibility of parents/carers to keep medication up to date. If medication runs out, we will inform you so that a replacement can be provided as soon as possible. If anyone else is responsible for administering your child's medication e.g., a childminder or other family member, please share this information with them so they are aware.

Early Finish - 17th July

As per the last two academic years, we will be finishing after lunchtime on the last day of the school year/summer term - Friday 17 July at 1.30pm. There will be **NO Afterschool Club** on that day and all children will need to be collected at 1.30pm promptly so please ensure that you have arrangements in place for collection of your child(ren). Details of the annual Y6 clap out will be sent nearer the time. As advised last year, the early finish will be the normal arrangement at the end of every academic year going forward unless we advise you differently. The early finish only applies to the end of the summer term in July. Term dates for this year and next year are available on our school [website](#).

Reporting Pupil Absences

When reporting a pupil absence due to illness, in your email or voicemail you should leave a specific reason for the absence, such as "sore throat" or "high temperature". Please do not give a vague reason of "unwell" or "poorly". From now on we will be following up all emails or phone calls that do not provide us with enough detail. Please report all pupil absences on the first day of absence to absence@st-petersprimary.co.uk (our preferred method) or by phone to 020 8688 5414 and choose the option related to absences to leave a message. If you do not report your child's absence by 9.00am, we will phone you and if we cannot get in contact with a parent then the school may follow up with a home welfare check.

New Textile Bank!!!

We are delighted that we now have a textile bank for recycling clothes and shoes. This is situated at the top of our drive.

Please see the notes on the textile bank as these detail the things that can be recycled. Any recycled contributions will directly raise money for our school.

Collections will be weekly, however if the box is full, we would ask that you do not leave anything outside or around it as this is a safety hazard.

For further information on what you can donate, please click on the following link:

Parents Website Calendar

Don't forget that we have a dedicated calendar on our school website which should list all clubs and dates for Open Fridays. Please click on this [link](#) to access the calendar and if you notice anything missing, please let us know!

Open Friday

Letter explaining about Open Friday arrangements click [here](#)

Dates: 8 May 2026, 3 July 2026

Please note that you must stay with your child(ren) whilst you are looking at their books.

Extra-Curricular Clubs

Links for all our extracurricular clubs can be found on the school website. Please click on this [link](#) to take you to the applicable page on the website and find out more about cost and bookings.

Garden Set going spare??

One of our staff wants to tidy up an outside space to make it a nice area for the children she works with and was hoping that someone might have a small garden table and chairs set that you no longer need? It would need to be in good condition for health and safety reasons.

If you can help, please contact the school office (admin@st-petersprimary.co.uk)

Parking/Driving - start of term reminder for current and new parents.

Please park safely and considerately when you drop your child(ren) off and/or collect them from school. You must not park or stop in front of driveways or dropped kerbs, zig zag lines or points of crossing for those in wheelchairs or with buggies. Please be considerate to local residents.

- If you become aware of illegal parking please take a photo of the car registration and contact the parking officer on 0208 760 1966.

Reminders about the school grounds.

- The playground gates will be locked at 3.30pm daily; please ensure that you collect your child on time and leave the school grounds by this time.
 - There are no dogs allowed on the school premises at any time of the day.
- Please remind your child(ren) not to climb on the grass bank outside the school office. It's quite steep so your child could fall and there are flowers growing on the bank that will not survive being trodden on.

Thank you.
