

6 October 2025

Dear Parents/Carers,

To link to our Science and English learning, we are going to be visiting the Arc Centre in Selsdon for a workshop about habitats and food chains. The children will see many different animals from meerkats to lizards to capybaras. They will then be using this experience to write a recount in their writing and reviewing their science learning.

2M- Wednesday 19 November 2025

2K- Friday 21 November 2025

We will be leaving school at **9am prompt** to get the 433 bus to Greenvale school. Please ensure your child arrives at school on time on these days.

We are asking parents to contribute £6.30 towards the cost of this trip, which will also be supported by the St Peter's School Association (SPSA). Please pay this on www.parentpay.com by **Friday 7 November 2025**. By paying for the trip, you are giving consent for your child to participate and travel there and back by bus.

Please could you also complete the attached form and return it as soon as possible to the school office as we need to complete this for the Arc Centre's records.

Please speak to a member of the Year 2 team if you are interested in helping on the trip.

Kind Regards,

The Year 2 Team

Caroline Barriball, Headteacher
