Suitability to Participate

By signing this form, the participant is fit and able to participate in zip wire sessions and has no existing injuries and/or any medical conditions that may cause them further harm.

Terms & Conditions

- The CYM Zip Wire is an outdoor activity, whereby participants "zip" over the lake, at height.
- CYM instructors follow an agreed Standard Operating Procedures (SOP) laid out by CYM's Director of Campsite Programme, agreed by CYM's appointed technical adviser.
- CYM has carefully assessed all risks, which include working at weight and suitability of safety equipment, whereby any risks are reduced but not eliminated. Any outdoor activity of this nature, has the potential to cause injury or even death.
- A landing area has been created, as requested on the zip wire's inaugural inspection and has been approved for use. Participants may hit the ground, which could cause slight discomfort or injury.
- As agreed with CYM's technical adviser, the zip wire has a participant weight limit of 18st or 114kg.
- As agreed with CYM's technical adviser, the zip wire has a minimum participant age of 8yrs old.

By signing below you acknowledge that you:

1. have received sufficient safety information regarding the risks involved.
2. accept that these activities are dangerous and can result in death and/or injury.
3. accept the risks involved and are responsible for your own actions and/or involvement.
4. are under the zip wire weight limit of 18st or 114kg and are 8yrs or over.
5. (for under 16s only) give permission for your child to participate in zip wire sessions at CYM.

Our insurance underwriter requires a signature from **all participants** irrespective of their age, with a countersignature for those under 16.
