

FAMILY ASSEMBLY DATES:

Please see the information below about dates for your child's class assembly. These start at 9.10am and last for approximately 15-20 minutes. They are an opportunity for your child's class to showcase the learning and fun that has taken place at school.

We would love to see as many parents as possible but, due to staff availability, we will not be able to provide refreshments on these occasions.

These dates will also be available on the school website calendar.
