Introduction of Trauma Informed Training

Croydon Local Authority have asked us to share the following information with parents. Please also see the communication and flyer sent out earlier today.

Communities play a vital role in supporting their members when faced with traumatic experiences, something which has been even more important during the COVID-19 pandemic.

Funded by a TFL grant, Croydon Council have commissioned free training for 600 people to help them to support, empower and enable people in their communities who may have experienced trauma.

There are two ways you can get involved:

1. Take part in the online consultation to help to shape the content of this training by contacting <mailto:ticroydon@j3msconsulting.co.uk>
2. Once the training has been finalised, sign up to attend and share information about it with people who might be interested in receiving the training too. Register your interest here now <mailto:ticroydon@j3msconsulting.co.uk>

MESSAGE FROM THE SPSA RE THE TRIM TRAIL

The SPSA are launching the school trim trail fundraising project from Monday 7th February.

We will be raising funds to replace the existing unsafe structure with fantastic new equipment for all the children to enjoy. Please see attached a separate letter with more information and please note that 'Penny Wars' will be the first fundraising event. Each fundraising activity will raise money for a piece of equipment within the new trim trail. We look forward to sharing our ideas with you and the children.

Full details of how you can help are in the flyers which will be sent out with the weekly newsletter email.

OUR CAMPS

Our Camps are returning to St Peter's for an Easter Camp on the following dates:
Monday 11 - Thursday 14 April

See attached and below for more details, and the link required to book.

<https://schoolcamps.org/organiser/st-peters-primary-school>

If your child is entitled to Free School Meals you will receive a fully funded place, so please contact the school office for the code to use when booking.
