Face Masks

We appreciate your continued support with the wearing of face coverings on the school premises; we have had some very positive feedback with families feeling much safer and better protected. Thank you.

Two new members of staff joined the SPPS team this week. Mr Jensen Edghill and Mr Kyron Martin will be working as Lunchtime Assistants and Afterschool Club Assistants and have settled in well. We are delighted that they have joined our team!

Respecting the School Grounds

- **Please** do not let your child climb up on the bank at the front of the school. They could slip and fall onto the concrete path below and sustain a nasty injury. Furthermore, it is an area which has grass and some wildflowers which will be destroyed if they are trampled on. If you see your child making a move to climb, please stop them before we have to.
 - NO scootering or cycling anywhere within the school grounds please.
- NO dogs on the school site at any time of the day (this includes drop off at breakfast club or pick up from afterschool club)
- Please remember to park safely and considerately when you drop off or collect your children. Be patient and pay attention to children or parents crossing the road. We have already had complaints from residents about parents parking in front of dropped kerbs or driveways which is inconsiderate and could mean that you end up being towed away.

Remember...

- To keep your distance from the school staff at the start and end of the day.
 - The rules on social distancing at all times.
- Please leave the school premises promptly after pick up and drop off.
 - Where possible, only one adult should pick up and drop children off.
