7 September 2018

Dear Parents

It is lovely to see all the children back in school at the start of this new term.

Can we just take this opportunity to remind you of a few points.

- On the reverse of this letter is a list of our uniform requirements and the standards of appearance we expect. Please pay particular attention to the information about footwear (no trainers), jewellery and hair. We will contact the parents of children who are not conforming to these requirements/standards.

- Can we also reiterate how important it is that all items of your child’s clothing and property are clearly marked with their name. Every term our lost property box overflows with unnamed items which are impossible to reunite with their owners.

- Can we ask that you do not bring your children on or off the school site via the driveway. This is a working driveway, with delivery and other vehicles using it at all times of the day. Can you also ensure that children who walk to school on their own, and any other adults who bring your children to school, are aware of this. This is for everyone’s safety.

- Scooters and bikes must not be used anywhere on the school site, however tempting this may be. Again, this is for everyone’s safety. Please make sure that your child is aware of this, and dismounts before entering the school site. They should then push their bike or scooter to the bike shelter/scooter pod. The school cannot take any responsibility for the loss or any bikes or scooters which are kept here during the school day or left overnight.

- The steep bank is which runs along the front entrance of the school is very tempting for children to climb. Can you please ensure that your child does not climb this bank. If they took a tumble onto the tarmac below this could result in a very serious injury.

We would be grateful for your cooperation with the above.

Yours sincerely

Caroline Barriball and Samantha Sandle
Acting Co-Heads of School
