19 September 2018

Dear Parents

For our IPC lesson on Wednesday we would like your child to bring in a special object or photograph from home which they can speak about to the class to help them remember a special event. Such as a birthday, Christmas, wedding, Diwali, christening etc

Please put your child’s name on their special object. The children will have an opportunity to explain why it is special to them and for others to ask and answer questions about it.

Many thanks

The Year 1 Team
