24 January 2019

Dear Parents

On Thursday 7th Feb our school is being visited by the hugely popular Ranger Russ. He will be bringing some exotic animals with him and giving a presentation to classes in years R, 1 and 2 on a variety of topics. In previous years both staff and children have been really enthusiastic about his visits.

The animals may include some or all of the following: boa constrictors, giant African millepedes and snails, tarantulas, scorpions, Madagascan hissing cockroaches, stick insects.

The children may get to handle some of these animals, so if you have any concerns about this, please make sure your class teacher is aware before the event.

To cover the cost of this visit we are asking for a voluntary contribution of £2.50 per child. On this occasion, we are asking that the payment is made in cash. Please return your payment to the school office in a sealed envelope clearly marked “Ranger Russ”, along with your child’s name and class. Please bring this contribution in before or on the day.

Yours sincerely

Caroline Barriball & Samantha Sandle

Acting Co-Heads of School
