14 January 2019

Dear Parent/Carers,

I am delighted to inform you that Trojans Korfball Club (TKC) will be running a 6 week 'Korfball' club for year 5 and 6. Trojans are a very friendly and welcoming club who are looking to help Korfball reach a wider audience and make children aware of this exciting sport and get involved.

Korfball is the only team ballgame in the world, designed to be played by both boys and girls in the same team. Korfball is fun, social, fast-moving and competitive. There is a great cooperation among the boys and girls in the team and no one is stuck playing one position. Children who like netball, handball or basketball may love Korfball!

This club will run on Friday's (3:30-4:30pm) beginning on Friday 1st February. TKC are running this club in a few local schools. Following their 6 sessions in each school they will be choosing a team to compete at the Copper Box (Olympic Park) in May 2 at the Schools National Indoor Finals. The school team chosen would play against other schools and clubs at this event.

All those who take part will be offered 4 free training sessions at Trojans Korfball Club as part of the project (these take place on Tuesdays 7pm - 8pm at Trinity School, where the club is based).

There will be a cost of £2 per session for this exciting opportunity. Further details about payment will be sent out following confirmation of a place at this club.

Parents/Carers need to sign up online.
https://stpeterscroydon.parentseveningsystem.co.uk/
There are only 14 places available and these will be allocated on a first come first serve basis. The booking system will open at 6.00 pm tomorrow evening, Tuesday 15 January.

Please do not hesitate to come and speak to me if you have any questions.

Mrs E Smith
