24 January 2019

Dear Parents and Carers,

Year 3 visit to the Natural History Museum Friday 1 March

We are planning to take the children from Year 3 to the Natural History Museum to explore the Volcanoes and Earthquakes gallery as part of our topic ‘Active Planet’. We have also booked the children in for a workshop when we are there.

We plan to take both London Bridge and Harrow classes on the same day on Friday 1 March. The children will be accompanied by class teachers and other adults.

We will be travelling there and back by public transport, including taking the train from South Croydon up to Central London, and then taking a tube to the museum. The visit will take place within normal school hours and so you should drop off and pick up your child at the usual time from school. The SPSA is covering the cost of the workshop for this trip, so you will not be asked to contribute. You must however indicate your consent using this online form: https://goo.gl/forms/wglQ6EiHg03FzEki1

The children will need to bring a small rucksack (or a bag that can be carried on your child’s back) containing:
  • A packed lunch, including a small healthy snack - no nuts or products containing nuts and no chocolate or sweets
  • A resealable drink (no fizzy drinks or glass bottles)
  • A warm waterproof coat

They must wear school uniform on the day.

If your child is entitled to free school meals and you would like a packed lunch provided for you, please let your child’s class teacher by Monday 25 February.

Members of the teaching staff will attend, but in order for the trip to take place, we need some additional volunteers to help us and to accompany the children throughout the visit. Please indicate on the consent form if you are able and willing to assist.

We are all looking forward to what we think will be a fun day of learning.

Many thanks

The Year 3 Team
