29th April 2019

Dear Parents

Canada Water class are visiting Pizza Express in Coulsdon on the morning of Wednesday 8th May. We will be travelling there and back on the train, leaving school at approximately 8.45 am and returning at around 12.30 noon. There is no cost for this trip.

The children will be making and tasting pizzas, so if your child has any food allergies/intolerances or is not allowed any particular foods for religious reasons can you please indicate this on the online consent form which can be found here. The children will be eating their pizza for lunch instead of having a school dinner on this day.

Yours sincerely

Mrs V Mclagan
