Dear Parents/Carers

ALL ABOUT ME BOOKLET

We hope you enjoy completing this book with your child over the next few weeks.

Please take plenty of time to talk about the pages and help him/her as much as you need to. The class teacher will find the information very helpful in getting to know your child as an individual.

Your child should bring the book into school when starting school. It will then be kept with your child's record of achievement.

We look forward to working with you in the future.

Yours sincerely

Mrs Caroline Barriball and Mrs Samantha Sandle
Co-Headteachers
