

## St Peter's Primary School

### Consent Form

**We would like to ensure that we handle photographs, images and video recordings of all of our students in a fair, transparent and lawful way.**

Schools use photographs and videos of pupils in various ways.

- It is essential for us to have photographs to identify children in school and we may use photographs and videos to support teaching and learning within the school community.
- Without doing so, we would be unable to achieve our public task of educating children.

In addition to the above, we also use photographs and videos for other purposes.

- Please indicate which of the following you are in agreement with by ticking the boxes below.

### Consent for Photograph and Video

I give permission for my son's/daughter's photographic image or video to be used in the following ways:

- On the School website
- On school social media, including Twitter
- In wider materials published by the School, including newsletters which may be published online
- In audio, visual or video recordings of school events and performances

Name of pupil:

---

Name of Parent/Carer:

---

I understand I can change my mind about the above at any time and can do this by informing the school office. I confirm that I have received a copy of the school's privacy notice explaining to me how personal data is used and why.
