

Dear Parents/Carers

### Permission to take children on 'local outings'

From time to time teachers may decide to take their class on a 'local outing' for example, when doing a traffic survey or survey of the local housing. As these outings are often dependent on weather conditions, or the number of adults available to help, we would like you to give your permission in advance. As on all other outings, children will, of course, be properly supervised with an appropriate number of adults accompanying the children. For trips requiring transport, we will be asking for your permission separately.

Please fill in the slip below and return it to the school so that we can use our locality more effectively.

Yours sincerely,

Caroline Barriball and Samantha Sandle  
Co-Headteachers
